Agency

iab•chile

Our international digital marketing services

DID YOU KNOW?

Chile because its high qualified, medium-low cost labor force, excellent TI infrastructure, connectivity and macroeconomic conditions is ranked the 8th worldwide country and the 1st one in latinamerica for global outsourcing and digital marketing services.

- Development of complete marketing online strategies globally and/or for latinamerican markets in several languages.
- Websites 2.0 programming and/or design, SEO and webanalytics services.
- Eyetracking studies for websites usability.
- Translation services in several languages (spanish, english, portuguese, french, italian, others).
- Digital marketing campaigns development and implementation by country, regions and/or globally.
- Email marketing services
- E-commerce services
- Social media outsourcing services: community manager services and brand monitoring in social networks.
- Other digital design services

WHY e-Andes?

- Because, we have a global and corporative vision.
- Because you can get the same quality at 2-5 times less costs.
